

BACKGROUND AND FACT SHEET

Ashley James Deans, Ph.D.

Education:

Ph.D., Upper Atmospheric Physics, Centre for Research in Earth and Space Science,
York University, Toronto, Canada, 1976
B.Sc. (Honors), Physics, Imperial College, London University, UK, 1969

Professional Membership:

Associate of the Royal College of Science

Current Positions:

Professor of Education and Physics, Maharishi University of Management, Fairfield, Iowa
Executive Director, Maharishi School of the Age of Enlightenment, Fairfield, Iowa
Director of International Programs, David Lynch Foundation
Executive Vice-President, Global Union of Scientists for Peace

Former Research Positions:

Harvard College Observatory, Cambridge, Massachusetts, USA
Culham Centre for Fusion Energy, Culham Science Centre, UK
Acting Pilot Officer, Royal Air Force, U.K.

Honors:

Doctor of World Peace, Maharishi European Research University
Sears-Roebuck Foundation Teaching Excellence and Campus Leadership Award
Enlightened Educator Award, Maharishi University of Management
National Research Council of Canada Post Graduate Fellow

A Record of Excellence: The Remarkable Success of Maharishi School of the Age of Enlightenment, MUM Press,
Fairfield, IA, USA, 52557

Hundreds of Presentations and Invited Talks Around the World:

Dr. Deans has traveled to over 80 countries to give invited talks and to confer with leaders of governments, universities, and research institutions on the subject of Consciousness-BasedSM education and its proven effectiveness in the fields of:

- Education, for developing the total creative potential of students;
- Health, for the prevention of stress-related disease, such as hypertension and diabetes;
- Corrections, for rehabilitation and reduction of recidivism;
- Military Science, for treating post-traumatic stress disorder (PTSD) and reducing the acute social stress that fuels violence, terrorism, and war.
